Dear Parent/Carer

Re: Are you interested in becoming a parent governor?

I am writing to invite you to nominate yourself, or another parent, to become a parent governor. At Alder Community High School we have five parent governors and currently there is a vacancy.

The governing body, with the head teacher, has overall responsibility for the running of the school. Governing bodies have three core strategic functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the head teacher to account for the educational performance of the school and its pupils;
- Overseeing the financial performance of the school and making sure its money is well spent.

No special qualifications are needed and the most important thing is to have an interest in the school and in the welfare of our children and the time and willingness to get involved. However, we would particularly welcome nominations from parents with skills in any of the following areas:

- Financial management
- Human resource management
- Building / facilities management
- Health and safety
- Strategic planning
- ICT infrastructure
- Community links
- Safeguarding
- Education management

As a Governor you will need 'soft skills' – the ability to be able to build relationships with a range of people, to be able to work as part of a team, to be able to question and to make connections between different types of information. All Governors are expected to be able to read, analyse and interpret straightforward budget reports and data on school standards.

New governors will be provided with a structured induction, have access to quality training and be provided with an experienced Governor as a mentor.

You will be expected to commit to attending 4 full governing body meetings per year. In addition, there are committee meetings which you may be required to attend, between 4 and 8 times per year. Also you will need to visit the school formally for monitoring purposes as required.

In line with good practice, all School Governor appointments will be subject to a Disclosure and Barring Service (DBS) clearance. The aim of this check is to protect children and vulnerable young adults from abuse of any kind.

The enclosed sheet summarises the circumstances under which someone cannot serve as a governor. In addition, parents/carers who have paid employment in the school for 500 or more hours per academic year or who are elected members of the Local Authority are not eligible to stand in these elections. Nominations must be from those with parental responsibility of a child at the school.

If you are interested in becoming a governor please complete the enclosed nomination form and return it to the school. Also you may include a short personal statement (up to 250 words) to support your nomination, and a CV if you have one. Self-nominations will be accepted, but if you are nominating another parent please seek their prior consent.

If you would like to talk to one of our current Parent Governors about any of the above, please contact the school and we will arrange a mutually convenient time for you to speak to someone accordingly.

In the event that there are more nominations than vacancies the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

Yours sincerely
